## CLUB REGATTA POSTPONED.

The club regatta which was to have been held on the river near the Potomae boathouse this afternoon has been indefinitely postponed, and, according to present arrangements, will be pulled off the middle of the coming month.

This information was given out at the clubhouse last night. It is said to be the direct result of a determination on the part of Coach Dempsey to get the junior crew in condition for the races at Philadelphia, July 5. The coach is highly elated over the prospeets of turning out a winner, and will exert every effort to accomplish that end. Some fast time has been made of late, and
